

# 450W OSCILLATING SPINDLE SANDER

## TSPS450

Triton's Oscillating Spindle Sander offers outstanding performance and a precise finish to every woodworking project.

Stability and enhanced material support for larger stock is provided by the 370 x 295mm cast-iron table. The oscillating action moves the drum up and down during rotation, reducing the static friction that causes burning and eliminates band marks.

Supplied with 6 sanding sleeves (13-76mm dia, 80 Grit), with matching rubber drums and table inserts, the TSPS450 is well equipped to provide a professional finish to internal as well as external profiles.

### POWER

Powerful  
450W motor

### DUAL ACTION

Rotating &  
vertically  
oscillating  
spindle

### LONG LIFE

Solid cast  
iron table

### TECHNICAL PERFORMANCE

No Load Speed:	2000min <sup>-1</sup>
Oscillations:	58opm
Stroke Length:	16mm
Table Size:	370 x 295mm
Sleeve Sizes:	13, 19, 26, 38, 51 & 76mm dia x 115mm length
