WHITTLE WAXES FURNITURE CARE CONCENTRATE INFORMATION SHEET

Product Description: Whittle Waxes Furniture Care Concentrate

Natural cleaning and care treatment for wood furniture.

- **Cleaning Additive** designed to both clean and maintain furniture finished with Hardwax Oil and our other finishes.
- **Protects:** Furniture Care leaves a thin replenishing, protective layer on the surface, without making the surface slippery.
- **For various surfaces:** Cleaning of waxed and oiled surfaces, doors, furniture, countertops and laminate, as well as lacquered parquet and cork surfaces.
- **Safe:** Meets Australian and German regulations on combustible liquids. Safe for humans, animals and plants after drying. Food and toy safe. Contains no biocidal substances or preservatives.

Recommended Tools:

Spray bottle, measuring spoon, cloth

Coverage Rate: N/A

Sheen Levels: N/A

Container sizes: 1L, 500ml spray bottle.

Storage: Cool but frost-free.

Drying time: Similar to other cleaning products.

Coats needed: Single coat system.

Surface Preparation:

Dry-clean (dust) the furniture prior to care.

Directions for use:

Use the spray bottle and cloth.

Product Preparation:

Dilute 1 teaspoon of Furniture Care Concentrate in a 500ml spray bottle filled with fresh water.

Maintaining hardwaxed surfaces:

1. Clean and maintain furniture as needed.
2. Using the Furniture Care 500ml spray bottle, mist the furniture and wipe dry with a lint free cloth.
3. **Do not clean with water only.** This will remove the protective film provided by the coating.

Helpful Advice:

- Regular care with Furniture Care will increase its resistance and prolong the durability of the coating.
- When the surface has some minor scratching or slight staining, use *Whittle Waxes Object Oil*.
- For a more aggressive clean before a total recoating use *Whittle Waxes Preparation Cleaner*. Please refer to information sheet on our website and contact us for advice before using Preparation Cleaner as it will remove a thin layer of wax and oil from the surface.
- For more information refer to our Cleaning, Care and Maintenance sheet on our website.

Ingredients: Water, <5% natural soaps, soy lecithin, potash, preservatives, <5% anionic tensides, <5% non-ionic tensides, coconut fat tensides, (benzothiazolinone, methylthiazolinone), lead-free drying agents. Natural colourfast pigments.

Disclaimer: Our technical advice in written form is given in good faith and on the basis of experiments, but it is only non-binding advice and does not release you from the obligation to test the products supplied by us as to their suitability for the particular purpose. Application, use and processing of the products outside our direct control are entirely your responsibility. Naturally we guarantee consistent quality of our products corresponding to the original sample. With release of new product information the previous information loses validity.

Global GHS Safety Notes: P101: If medical advice is needed, keep packaging or label handy. P102: Keep out of the reach of children. P103: Read label before use. EUH208: Contains 1,2-enzsothiazol-3 (2H)-one. May produce an allergic reaction. In case of skin contact, we recommend wearing suitable gloves (nitrille). EUH210: Safety data sheet available on request. Only completely emptied containers may be recycled. Dried residue can be disposed of as a household waste or as construction waste. Dispose of liquid residues at a collection point for old paint.
